General Assembly

Distr.: General
13 February 2017

Seventy-first session
Agenda item 19 (*c*)

Resolution adopted by the General Assembly on 2 February 2017

[*without reference to a Main Committee (A/71/L.54 and Add.1)*]

71/276. Report of the open-ended intergovernmental expert working group on indicators and terminology relating to disaster risk reduction

The General Assembly,

Recalling the outcome of the Third United Nations World Conference on Disaster Risk Reduction, entitled "Sendai Framework for Disaster Risk Reduction 2015–2030", contained in annex II to its resolution 69/283 of 3 June 2015, and the recommendation of the Conference that the General Assembly establish an open-ended intergovernmental working group for the development of a set of possible indicators to measure global progress in the implementation of the Sendai Framework and that the outcome of the work of the group be submitted to the Assembly for its consideration and adoption,

Recalling also its resolution 69/284 of 3 June 2015, in which the General Assembly decided to establish an open-ended intergovernmental expert working group on indicators and terminology relating to disaster risk reduction,

Expressing its appreciation to those countries that have provided financial support for the participation of developing countries in the meetings of the working group through voluntary contributions made to the United Nations Office for Disaster Risk Reduction trust fund, and expressing its gratitude to the Chair of the working group for guiding the work of the group,

1. *Acknowledges* the conclusion of the work of the open-ended intergovernmental expert working group on indicators and terminology relating to disaster risk reduction, and welcomes its report;[1]

2. *Endorses* the recommendations contained in sections IV and V of the report.[2]

69th plenary meeting
2 February 2017
